## Workplace Domestic Violence Program

[www.makeitourbusiness.ca](http://www.makeitourbusiness.ca)

Ontario Employers have legal responsibility to protect workers from domestic violence in the workplace.

**Training Opportunity for LCCEWA Member Organizations**  
**May 30<sup>th</sup> & 31<sup>st</sup>, 2017**

*Are you confident everyone in your organization is prepared to respond safely and effectively?*

- 33% of workers experience domestic violence
- 53% of them experience it at work

**Make sure your workers are protected.**

### Apply a Whole Company Approach: Three main learning objectives

1. RECOGNIZE the impact on victims, potential victims, co-workers and the workplace environment.
2. RESPOND effectively and REPORT appropriately using differential options consistent with various levels of workplace responsibility.
3. REFER victims, potential victims, offenders and co-workers to a network of external resources when domestic violence has been identified or is suspected.
